Open

1) Tap the top of the screen to display the menu. Click on the plus sign next to the bar. And this short tutorial shows how. For some users, the default font on their Kindle Fire device may be too small. Credit: Felipeaquim / Unsplash How to change the font size for Kindle books If you find a Kindle book with a small font size compared to the overall size that appears on your Kindle fire, you can also change the font size. 2) Select the AA (page display) button. You can also adjust font, line spacing and margins. Choose the appropriate text size for your reading comfort level. You can also adjust the font size by pinching in or out on the page while reading a book. On some devices, the font size is set to normal, large and huge. To increase the font size, you can set the number higher. Then choose the style and use the Plus and Minus buttons to change the bold and size. Limited Time Deal: Up to 80% Off Select Popular Kindle Readings Choose the book you want to edit and open it to read. Open the toolbar by touching anywhere on the screen. Or you can see the AA button. Look for the Font Size option and adjust the size. If there is one thing you can appreciate with an eReader instead of a physical book, it is the ability to change the display. Another way to read larger letters on your Kindle Fire is to use a screen magnifier. You can also adjust the font and editor font, if applicable. Font sizes appear as numbers with 1 as the default. Marissa Perino / Business Insider Related coverage of how to do it all. Tech: Make it easier to read Kindle content by changing your text size. Select a different "A" size at the top to make the text larger or smaller. What is your reading experience like with the Kindle Fire? Download the books you want and carry them wherever you go. Select the AA icon. Select your font size. Tap the top of the screen to open the reading toolbar.
